General Liability and Workers' Compensation Coverage

Gulfstream Park **will not allow** horses or personnel on the grounds until a Certificate of Liability Insurance (\$1,000,000 coverage) and Workers' Compensation coverage is on file. Please make sure the certificate covers the current year. A certificate from last year will not be accepted.

Gulfstream Park Racing Association, Inc, 901 S. Federal Hwy, Hallandale Beach, FL 33009 must be listed as certificate holder on the Certificate of Liability Insurance and Workers' Compensation.

It is recommended that you **email** (vcooper@fasigtipton.com) **or fax** (859-254-0794) **the certificate to Fasig-Tipton by March 4th** and bring a copy with you when shipping into Gulfstream Park.

Your cooperation regarding this requirement is greatly appreciated.

Fasig-Tipton

Dear Consignors:

The Florida Sale at Gulfstream Park is scheduled for Wednesday, March 27th, 2019 at 2:00 PM at Gulfstream Park, 901 S Federal Hwy, Hallandale Beach, Florida 33009.

SALES GROUNDS

ENTRANCE: There are multiple entrances to Gulfstream Park. The best entrance to the Gulfstream Park Sales Grounds is the southernmost entrance located off of US 1 and across from the Hampton Inn.

STABLE ENTRY: All horses must be signed in by the Fasig-Tipton stable area manager and be accompanied by the required paperwork listed below.

****Horses that arrive at the stable gate without proper documentation will not be granted access to Gulfstream Park Sales Area.**

STABLING: Stalls will be available beginning Monday, March 11th. You will be notified as to your barn assignment approximately March 1st. Your specific stall assignments will be issued from the Fasig-Tipton Stable Office upon your arrival to Gulfstream Park.

NOTE: The Fasig-Tipton Stable Office at Gulfstream Park will be located near the sales barn area. Fasig-Tipton personnel will be on the grounds to assist you with your stabling and sale needs throughout the sale.

VAN/TRAILER PARKING: Horse vans and trailers are permitted at the chutes for the express purpose of delivering or picking-up horses. Traps must be unloaded after training hours. Vans and trailers must park in the designated area near the sales barns when not in use. Please check with the stable office personnel as to where the designated parking is located.

E.I.A. (COGGINS) CERTIFICATE:

All sales horses and ponies must have an individual form dated within six (6) months of the sale stating that the horse in question has tested negative to the E.I.A. or AGID test. **All Coggins Certificates are requested to be in our Kentucky office by February 27th, 2019.** A \$100 charge will be assessed after this date. The Form must identify the horse fully and properly by sire/dam, or dam, sex, color and age. Each form must include the veterinarian's signature and results. PLEASE DO NOT USE BARN NAMES OR NICKNAMES. PLEASE SEND EITHER THE ORIGINAL OR A COPY OF THE COGGINS TO THE KENTUCKY OFFICE BY THIS DATE. HORSES DO NEED TO TRAVEL WITH A COGGINS.

HEALTH

CERTIFICATES:

All sales horses and ponies must be accompanied by and listed on a certificate of veterinary inspection (CVI) which has been signed and dated within seventy-two (72) hours of arrival by a licensed veterinarian, and which shall contain the following written statement:

“All horses listed on this certificate of veterinary inspection (CVI) have not originated from, not been stabled on, a premises which has had herpes virus (ehv-1) diagnosed during the previous thirty (30) day period.”

EQUINE HERPES

VIRUS (EHV-1):

All horses and ponies must provide proof of vaccination against equine herpes virus type-1 (ehv-1) by a licensed veterinarian within the minimum of seven (7) days and a maximum of ninety (90) days prior to entry. The certificate of veterinary inspection (CVI) shall also indicate the date of vaccination and the specific vaccine product used to vaccinate each horse.

EQUINE PIROPLASMOSIS

TESTING

All horses and ponies entering Gulfstream Park **FROM TEXAS ONLY** must be accompanied by a negative test for Equine Piroplasmosis showing negative results for both BABESIA CABALI and THEILERIA EQUI reported twelve months from the date of entry to the stable area and/or race in which the horse is to compete. **All Equine Piroplasmosis Certificates are required to be in the Kentucky office by February 27th, 2019.**

EQUINE VIRAL

ARTERITIS (EVA):

All sales horses are required to give an EVA Test on file dated within ninety (90) days of sale. Although this is not a warranted condition to buyers, any horse which tests positive will be listed as such at the sales office. **All EVA Certificates are requested to be in our Kentucky office by February 27th, 2019.** Even though there are changes in requirements from various European countries, we recommend consignors have ALL SALES HORSES TESTED FOR EVA.

JCC REGISTRATION

CERTIFICATES:

If you have not submitted the Jockey Club Certificate of Registration to the Fasig-Tipton Kentucky office, please send the certificate immediately to Fasig-Tipton Kentucky, PO Box 13610, Lexington, KY 40583-9961. **All Jockey Club Certificates are requested to be in our Kentucky office by February 27th, 2019.** A charge of \$100 per horse will be assessed if the Jockey Club registration certificate is received after this date.

NAMES:

Name authorization slips for all named horses must be attached to the Jockey Club Certificate of Registration.

Northwest Feed
Contact: Joseph
(561) 441-2195

STABLE EQUIPMENT: It will not be necessary for you to bring stall screens as they are not necessary at Gulfstream Park. All stalls have floor mats. Tubs, buckets, rakes, forks, screw eyes, etc. are the responsibility of the consignors.

ICE: Ice will be available on the grounds free of charge.

LAUNDRY FACILITIES: There is no washer and dryer hookup in the barns at Gulfstream Park, however there are 4 large Laundromats within 1 mile of the track that most horsemen use, 2 located just outside the gate. The Fasig-Tipton stable office will have specific location information.

STALL CARDS: The Sales Company does not supply stall cards. The standard stall card size is 22" x 28".

UNDER TACK SHOW: There will be ONE showing under tack for consignors at Gulfstream Park on Monday, March 25th beginning at **9:00 am**. The order of show will be Consignor preference and the breezes will be timed electronically and videotaped.

SADDLE CLOTHS: All horses should wear a numbered saddle cloth when training. Saddle cloths should be picked up at the Fasig-Tipton Stable Office upon arrival. Care should be taken to see that they are returned to the Sales Company as you will be charged for those NOT returned.

USE OF RACE TRACK: No horses are allowed on the track except during designated training hours for the consigned horses. Training hours will be posted at the Fasig-Tipton Stable Office.

TRACK SIGNALS: Horses will not be permitted to enter the track when the horn has been blasted indicating:

- Harrow break
- Whenever there is a problem or incident on the track
- At the close of training hours.

ATTIRE: Safety vests and helmets are mandatory for all persons astride a horse or pony at all times. The use of proper footwear is encouraged.

OUT RIDERS: Out riders are on the track during training hours for the safety and service of all riders and horses. It is their direct responsibility to enforce the rules set forth by management.

The rules for the use of the track are developed to ensure an efficient and safe work environment. The out rider is the final authority for riders while on the track

HORSES: A horse shank and halter is to be placed in the immediate vicinity of each horse, No locks are permitted on any horses' stall. Horses and ponies must be placed in a stall when dismounted. No horse or pony may be tied up outside of the barn. All horses must use the paths and not trespass on the landscaped and grass areas.

**MOTORCYCLES/
DISORDERLY CONDUCT:** Motorcycles are not permitted in the stable area. Disorderly or immoral conduct is not permitted while on Gulfstream Park property; this may result in the person being ejected from the grounds.

FIRE SAFETY: Gulfstream Park has established rules concerning fire safety. These rules are intended as a minimum precaution. All persons on the grounds should exercise maximum care with respect to fire hazards and report any concerns to management immediately. Violation of the fire safety rules will result in fines and, or expulsion from the grounds.

EMERGENCY FIRE: Five-pound (5lb) fire extinguishers are mounted on brackets at strategic locations in each barn. Please utilize the extinguishers in the following manner:

- Remove the fire extinguisher from the bracket
- Pull the pin on the handle
- Stand 5 to 15 feet from the fire; aim the nozzle at the base of the fire; then sweep back and forth.

Extinguishers will only last for 10 to 12 seconds. Sprinklers should be activated at this time. After extinguisher is discharged, contact the stable manager in order to have a replacement issued.

SMOKING: Florida law "amendment 6" prohibits smoking in any enclosed area used in common at any time with non-smokers.

Smoking is not allowed in horse stalls, tack rooms, shed rows or in the vicinity of waste containers. Smoking material must be extinguished in a proper container and manner (i.e. metal sand bucket or similar device, no tossing of waste on the ground).

STORAGE: Storage of feed, Tack, or equipment must not be permitted to obstruct the opening of any occupied stall door or shedrow.

Storage of flammable material must conform to the instructions provided by the manufacturer's label.

**ELECTRICAL
EQUIPMENT:** Electrical equipment problems must be reported to the stable supervisor or security. The stable supervisor must approve extension cords for use and type. No tampering with electrical outlets or fuse boxes at anytime. No over loading of electrical outlets. (I.e. no extension cords, multiple plug-ins or surge protectors to be mounted to an existing outlet).

**STATE REGULATIONS
ON MEDICATION:** STATE MEDICATION RULES AT THOROUGHBRED SALES IN THE STATE OF FLORIDA ARE AS FOLLOWS:

In specific circumstances, medications may be administered by licensed veterinarians to sales horses for therapeutic reasons and/or when necessary for the treatment of prevention of illness or injury. Any medication given within 72 hours of the start of the sales session, or within 24 hours of the start of any Under Tack Show, whichever period is longer, in which the horse is to perform or is to be offered for sale, must be documented and reported to the Sales Company in writing in compliance with Florida Statutes, Title XXXIII, Chapter 535.01-535.14. Prospective purchasers are entitled to review this documentation, which will be maintained in the repository. Purchasers may request a post-sale blood test within 24 hours of the time of sale AND prior to taking physical possession of the horse in question. The cost of testing is the sole responsibility of the purchaser. For further information, please contact the Florida Department of Agriculture and Consumer Services, a veterinarian licensed in the state of Florida, and/or the Sales Company. The Florida Medication Regulations are separate from and in addition to the Sales Company's Medication Policy. Consignors must comply with both the Fasig-Tipton Company, Inc. Medication Policy and the Florida Statute.

Additional Medication Rules and Restrictions are as follows:

Medications may only be administered at or below manufacturers recommended dosages. The medication policy and testing procedures will be administered according to the guidelines of the sales company subject to state regulations.

RESTRICTIONS:

1. No more than two (2) non-steroidal anti-inflammatory drugs (NSAIDS) may be administered.
2. No more than one (1) cortico-steroid may be administered.
3. Clenbuterol may not be administered within 14 days of an under tack show or sales session in which the horse is entered.
4. No bronchodilators, including but not limited to Albuterol, may be administered within 72 hours of an under tack show or sales session in which the horse is entered.
5. No exogenous anabolic steroids or their esters are to be administered within 45 days of sale.
6. No medication may be administered within 24 hours of a horse's under tack performance.
7. The following medications may **NOT** be administered on the sales grounds.
 - ~ all substances classified as either Class I or Class II by the Association of Racing Commissioners International (ARCI)
 - ~ Furosemide (Salix or Lasix)
 - ~ Procaine Penicillin

PROHIBITED PRACTICES:

The following are not permitted on the sales grounds:

- **Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy;**
- **Acupuncture and/or Electro-Stimulation** with the intent of altering laryngeal function;
- **Electrical devices** designed or used to increase the speed of a horse;
- Any invasive practice which intentionally conceals a material defect or chronic lameness.
- Intra-articular injections.

Internal Blister or other injections to the knee intended to have the effect of concealing the true conformation of the horse is not permitted at any time.

**USE OF RIDING
CROP AT UNDER TACK
SHOW**

Within one-eighth of a mile from the finish line, a rider is prohibited from striking the horse behind the girth and both hands must be holding the reins. A rider is prohibited from striking the horse in any manner beyond the finish line. In situations where the safety of the horse or rider is in jeopardy, a riding crop may be used in front of the girth. Any infraction of this rule will result in a \$500 fine to be paid by the consignor. Chronic offenders may be banned from riding on the sales grounds. The sales company or its representatives have full, final and sole authority to interpret and enforce this rule. Funds collected from fines levied will be distributed to a thoroughbred industry related charity at the sole discretion of the sales company.

HORSESHOES:

A horse at a two-year-old in training sale may not train with front shoes that have toe grabs which exceed 2mm, or bends, turn-downs, stickers, jar caulks or any other traction device. Turn-downs of more than ¼" will not be permitted on hind shoes.
