## **DIAMOND ORE**

A stakes placed daughter of Tapit, Diamond Ore is half-sister to the magnificent Arrogate, and she is offered carrying a foal from the first crop of Speightstown's brilliant son, Charlatan.

A \$750,000 weanling, Diamond Ore was a maiden special weight winner at two and took third in the Busanda Stakes in her only start at three.

Diamond Ore is a daughter of the record-breaking, three-time Leading Sire Tapit, the dominant stallion of his era. With 155 stakes winners to his name, Tapit has been represented by such as the phenomenal Flightline, Champions Essential Quality, Untapable, Stardom Bound, Unique Bella, and Hansen, additional classic winners Tonalist, Creator, and Tapwrit, and a total of 29 grade one winners, also including Frosted, Constitution, Tapitsfly, Zazu, Cupid, Joyful Victory, Tapizar, Careless Jewel, and Pauline's Pearl. Tapit is also already making a rapid impact as a broodmare sire, his daughters having already produced 66 stakes winners, 31 graded, including grade one scorers Cody's Wish, Gran Alegria, Harvey's Lil Goil, Lexingtonian, Tripoli, Qafila, Cara Embrujada, Halladay, Prelude Rye, and Jorel.

Diamond Ore is half-brother to Arrogate, a two-time World Champion who in consecutive starts won the Travers Stakes (G1) by 13½ lengths in a new track record; the Breeders' Cup Classic (G1) over twice Horse of the Year California Chrome; the Pegasus World Cup Invitational Stakes (G1) by 4¾ lengths in a new track record; and an unforgettable victory over Horse of the Year Gun Runner in the Dubai World Cup (G1), which saw him hailed as "the Man o' War of the 21<sup>st</sup> century."

Diamond Ore is also half-sister to Osare, a stakes winning daughter of Medaglia d'Oro whose first foal, a colt by Into Mischief, sold for \$775,000 as a September Yearling. She is also half-sister to Immediate Impact, an Into Mischief filly who won by 6¾ lengths on her debut and was likely favorite for the Del Mar

Debutante Stakes (G1) before suffering a career-ending injury shortly before the race. Immediate Impact is bred to Tapit for a 2023 foal. Arrogate, Osare, Immediate Impact, Diamond Ore, and the unraced Giant's Causeway filly Boyne Beauty are the first five foals of their dam Bubbler, the four fillies all now being broodmares. Bubbler is also dam of a two-year-old colt by Justify, a yearling colt by Into Mischief, and is bred to Charlatan.

A daughter of Distorted Humor, Bubbler was an accomplished racemare in her own right, winning six of nine starts, three in stakes events, and on her final three starts won two stakes events, and took third in the Ouija Board Distaff Handicap (G3) on the grass.

Bubbler's dam, Grechelle, was a winner at two and three and also captured third in the Golden Rod Stakes (G3), and is a sister to Field of Vision, the granddam of multiple grade one winner Belle Gallantey. Grechelle is superbly-bred as she is by Deputy Minister – a breed-shaping champion racehorse, sire, and broodmare sire – and out of the wonderful racemare, Meadow Star. Champion at two, Meadow Star claimed her crown with six straight graded stakes victories, among them the Spinaway Stakes (G1), Matron Stakes (G1), Frizette Stakes (G1) and Breeders' Cup Juvenile Fillies (G1). At three, Meadow Star added classic laurels, capturing both the Acorn Stakes (G1) and Mother Goose Stakes (G1).

Diamond Ore is dam of a 2022 colt by Justify as her first foal and is offered carrying a foal, which will be a member of the first crop of Charlatan, a Speightstown son who was undefeated in North America, including victories in the Malibu Stakes (G1) and Arkansas Derby (G1).
